### Universitas Spin-Off University Spin-Off

**U**niversitas Indonesia mendorong peningkatan inovasi dan kewirausahaan di lingkungan Universitas Indonesia untuk membantu penyelesaian masalah nasional dan global. Salah satu yang dilakukan oleh Universitas Indonesia terkait hal ini ialah membentuk badan usaha di luar perguruan tinggi yang mengomersialisasikan hasil-hasil riset dan hasil-hasil inovasi (*spin-off*). Di Universitas Indonesia, pengupayaan hal ini dilakukan di bawah naungan Direktorat Inovasi dan Science Techno Park Universitas Indonesia (DISTP UI). Pada awalnya Direktorat ini bernama Direktorat Kerjasama dan Inkubator Bisnis (DKIB). Tugas pokok DISTP

**U**niversitas Indonesia encourages increased innovation and entrepreneurship to help solve national and global issues. One of its contributions is to form a business entity outside the university that commercializes research and innovation results (*spin-off*). This effort is carried out under the Directorate of Innovation and Science Techno Park, Universitas Indonesia (DISTP UI). Initially, this directorate was named the Directorate of Cooperation and Business Incubator

UI ialah menjalankan kebijakan dan pengembangan inovasi, pengelolaan inkubator bisnis, dan proses hak atas kekayaan intelektual, serta pengembangan muatan kurikulum yang mendorong inovasi dan pengembangan kewirausahaan.

(DKIB). The main task of DISTP UI is to carry out policies and innovation development, manage business incubators, handle intellectual property rights, and develop curriculum content that encourages innovation and entrepreneurial development.

## Pendampingan *Start-Up* Start-Up Assistance

memberikan fasilitas program inkubasi bisnis kepada perusahaan rintisan (*start-up*) dari mahasiswa, alumni, maupun peneliti UI yang telah terpilih melalui proses seleksi. Program inkubasi bisnis berupa pelatihan di bidang pengelolaan keuangan, pemasaran, pengembangan bisnis, *mentoring*, pameran, hingga *business matching*.

DISTP UI, through the Subdirectorate of Business Incubator, annually provides business incubation programs to start-ups from UI students, alumni, and researchers who passed the selection process. Business incubation programs consist of training in financial management, marketing, business development, mentoring, exhibitions, and business matching.

Selain memberikan fasilitas berupa peningkatan kualitas *start-up*, DISTP UI juga memberikan fasilitas berupa *coworking space* yang terdapat pada Gd. ILRC UI Lantai 2, Universitas Indonesia, Depok.

Besides providing facilities to improve start-up quality, DISTP UI also provides a *coworking space* facility located in ILRC Building Floor 2, Universitas Indonesia, Depok.
