

6.3. Water usage and care

6.3.3. Free drinking water provided

Description:

Faculty of Psychology have two drinking-water fountains that located near the centre of the faculty area. These water fountains are free and could be used by anyone in the area. People who want to use the water fountain can prepare a water bottle to be filled or drink directly from the faucet at the end part of the fountain. We also maintain and clean the water fountains regularly to ensure the safety and hygiene when used.
