

## Promosi Peghematan Air

### Deskripsi:

Selain menyediakan peralatan hemat air di hampir setiap gedung, seperti *Ecowasher* pada toilet di setiap gedung, kran otomatis pada wastafel, kran otomatis penyiram tanaman (dengan menggunakan *timer*) dan *eco washer* pada urinoir, promosi terus menerus dilakukan dengan menempelkan stiker hemat air dan beberapa poster di toilet dan pantry .

### Description:

In addition to providing water-saving equipment in almost every building, such as *Ecowashers* in toilets in every building, automatic faucets on sinks, automatic faucets for watering plants (using a *timer*) and *eco washers* on urinals, promotions are continuously carried out by attaching water-saving stickers and several posters in the toilet and pantry.
