### 7.2.1. Energy-efficient renovation and building

*New Canteen in Faculty of Psychology that use less electricity*

#### **Description:**

Faculty of Psychology had renovated two canteens that finished in 2019. Kantin Sejiwa is a green-themed canteen with open space, so it doesn't need electricity for lighting. While Kantin Sehat is a green-building themed canteen that mainly use glass windows around the building. This canteen also needs less electricity for its lighting because of this.
