

Produksi Energi Terbarukan di Dalam Kampus

Panel Surya FKM UI

Deskripsi:

Pada tahun 2019, dalam rangka meningkatkan komitmen fakultas terhadap Green Metric dan pemenuhan capaian kinerja fakultas, FKM telah memiliki panel surya dengan ouput 5-6 KWh, terdapat di area parkir pimpinan di gedung A. Panel surya masih terpasang dan digunakan hingga saat ini, dengan pemeliharaannya dikelola oleh fasilitas.

Description:

UNIVERSITAS INDONESIA
FAKULTAS KESEHATAN MASYARAKAT

In 2019, in order to increase the faculty commitment to Green Metrics and to fulfill faculty performance achievements, the Faculty of Public Health already has solar panels with an output of 5-6 KWh, located in the faculty executive's parking area in Building A. Solar panels are still installed and used until today, with maintenance being managed by the Facility Unit.
