#### [6.3.3] Free drinking water provided

Provide free drinking water for students, staff and visitors (e.g. drinking water fountains).

**Provision of Free Drinking Water – Reducing the Use of Single-use Plastic Bottles**

**Description :**

Within the University of Indonesia, water fountain units have been installed with strategic locations in each faculty. This facility can be enjoyed freely and free of charge by all for students, staff, and visitors. The hope is that in addition to maximizing water for consumption, it is also a means of supporting the university environment without plastic bottles
