Financial Aid Exclusive for Faculty of Psychology Students

Virtual Open House

Introduction to Faculty of Psychology

**Description:**

The Faculty of Psychology also follows University of Indonesia's policy on tuition fees that accommodate students from any economic class. In the Faculty of Psychology, the tuition fee ranges from Rp0,- to Rp5.000.000,- for undergraduate students in regular class.

We also facilitate additional financial aid exclusively for our students who have financial difficulties, Pelangi Akademos. We give financial aid for tuition, everyday expenses, and thesis.

To introduce our faculty more broadly, we held a Virtual Open House and Introduction to Psychology, an annual event that is being held assisted by our BEM. The goal of these events is to attract new students as well as to provide an overview related to study at the faculty of Psychology, ranging from course, facility, to tuition.
