

Implementation of SDGs at the Faculty of Psychology

7. Affordable and Clean Energy

7.2. University measures towards affordable and clean energy

7.2.1. Energy-efficient renovation and building

Two canteens in the Faculty of Psychology that use less electricity

Description:

The Faculty of Psychology has renovated two canteens that finished in 2019. Kantin Sejiwa is a green-themed canteen with open space, so it doesn't need electricity for lighting. Meanwhile, Kantin Sehat is a green-building-themed canteen that mainly uses glass windows around the building. This canteen also needs less electricity for its lighting because of this.
